

***BOSE***<sup>®</sup>

# Bose® Wave® Radio IV

Enjoy high-performance sound from the radio that changed an industry – now in a fresh, updated design. The Bose® Wave® radio includes an advanced AM/FM tuner with text capability for song and artist information. Add the optional Bluetooth® adapter to also wirelessly stream music from your smartphone or tablet.

# Bose® Wave® Music System IV

Enjoy high-performance sound from a music system that fits nearly anywhere – and now has a fresh design. The Bose® Wave® music system includes a CD player and AM/FM radio tuner with text capability for song and artist information. Add the optional Bluetooth® adapter to wirelessly stream music from your smartphone or tablet. Available in Platinum Silver or Espresso Black

# Bose® Wave® SoundTouch® Music System IV

The Bose® Wave® SoundTouch® music system lets you easily enjoy all your music. Use it to stream music services, Internet radio stations and your personal playlists. There's also a CD player and AM/FM tuner. So you can hear whatever you want with lifelike, room-filling Wave® sound. And now it comes in a fresh new design. Available in Silver or Black

# Bose® SoundLink® Color Bluetooth® speaker II

The SoundLink® Color Bluetooth® speaker II was engineered to deliver bold sound wherever life takes you. From the pool to the park to the patio, its rugged, water-resistant design lets you enjoy the music you love in more places. Voice prompts make Bluetooth pairing easy. And up to 8 hours of listening per battery charge lets you keep your playlists playing. Available in Soft Black, Polar White, Coral Red, or Aquatic Blue.

# SoundLink® Mini Bluetooth® speaker II

Just because it's small, doesn't mean it has to sound that way. The SoundLink® Mini Bluetooth® speaker II delivers full sound with dramatically deeper lows than you'd expect from a speaker that fits in the palm of your hand. And because it's wireless and ultra-compact, it's easy to take Bose® sound anywhere. With the built-in speakerphone you can take calls out loud with clear sound. And voice prompts make Bluetooth pairing easy. The SoundLink® Mini II can play unplugged for hours and be charged from most USB power sources. Available in Carbon or Pearl.

# SoundLink® Bluetooth® Speaker III

Meet the speaker that brings your music and friends together-with a style that's all your own. The SoundLink® Bluetooth speaker III is the Bose® best-performing mobile Bluetooth speaker. It plays louder and longer than its popular predecessor, with advanced Bose® technologies that reproduce the fullness, clarity and depth of your music. A colorful assortment of optional covers lets you personalize your speaker. (Covers, sold separately available in Gray, Charcoal, Navy Blue, Olive Green, or Deep Red)

# Bose® SoundTouch® 10 Wireless Music System

The SoundTouch® 10 wireless music system is the easiest way to play music throughout your home. Plus, it's so small, you can place it just about anywhere to stream millions of songs from music services, Internet radio stations and your stored music library – all with full, rich sound. You can even play your favorite music instantly, without a phone or tablet. Simply press one of six presets on the speaker or remote, and the music starts. . Available in Black or White

# Bose® SoundTouch® 20 Series III Wireless Music System

The SoundTouch® 20 wireless music system is wireless music made easy. Stream millions of songs from music services, Internet radio stations and your stored music library – all with exclusive technology that fills even your largest rooms with powerful sound. # Bose® SoundTouch® Wireless Link Adapter

You love your current speakers. But there's a world of wireless music they just can't access. Until now. Transform your stereo or home theater system by adding the SoundTouch® Wireless Link adapter and stream music from your home Wi-Fi® or Bluetooth® devices. Use the SoundTouch® app to control your music easily. You can even play music all throughout your home by expanding with other SoundTouch® speakers.

# Bose® SoundSport® In-Ear Headphones

Bose® SoundSport® in-ear headphones deliver deep, clear sound for the music you love, and a durable design to keep up with your busy life. TriPort® technology provides crisp highs and natural-sounding lows, while the sweat- and weather-resistant design helps ensure they survive the rigors of your daily life. And StayHear® tips keep them comfortably in place through it all. They come in a variety of designs and include an inline microphone and remote. Available in Charcoal, Energy Green, or Power Red (Charcoal [only] is also available in Samsung Version)

# Bose® SoundTrue™ Ultra In-Ear Headphones

Introducing headphones designed so nothing will get between you and your music. SoundTrue® Ultra in-ear headphones deliver deep, rich sound across a wide frequency range. And the sealed acoustic design comfortably immerses you in your music. The proprietary StayHear® Ultra tips, available in three sizes, stay soft while giving you a secure fit. Available in Apple or Samsung Version

# Bose® SoundSport® Wireless Headphones

With no wires in the way, Bose® SoundSport® wireless headphones keep you moving with powerful audio and earbuds that stay secure and comfortable. They're also sweat and weather resistant with a battery life of up to 6 hours per charge. So nothing's holding you back from your workout. Available in Aqua, Black, or Citron

# Bose® SoundSport® Pulse Wireless Headphones

Push your workout to the next level with Bose® SoundSport® Pulse wireless headphones. Designed with a built-in heart rate sensor, they make it easy to track your performance without missing a beat of your music. The StayHear®+ Pulse tips are designed to stay secure-even during intense workouts. And they're sweat and weather resistant with a battery life of up to 5 hours per charge.

# SoundLink® around-ear headphones II

Enjoy a better wireless experience with Bose® SoundLink® around-ear headphones II. Exclusive technology delivers deep, immersive sound at any volume. And a dual microphone system rejects noise and wind so you'll be heard loud and clear. Switch seamlessly between two Bluetooth® devices, and stay connected to both. A rechargeable battery lets you listen for up to 15 hours. And intuitive touch controls give you simple command of your music and calls. Available in Black or White.

# Bose® QuietComfort® 20 Acoustic Noise Cancelling Headphones

Shut out the world & lose yourself in your music or let the world in. It's your choice with the first in-ear noise cancelling headphones from Bose. The QuietComfort® 20 Acoustic Noise Cancelling® headphones let you enjoy better sound every day, everywhere you go. Turn on noise cancelling to reduce surrounding distractions & focus on your music. Or, choose Aware mode to enjoy your music while hearing what's going on around you. Proprietary StayHear®+ tips provide a soft, secure fit. Available in Apple or Samsung Version.

# Bose® QuietComfort® 25 Acoustic Noise Cancelling Headphones

The best-performing around-ear headphones from Bose give you crisp, powerful sound – and quiet that lets you hear your music better. Bose advances their industry-leading headphones with the latest proprietary Bose® Active EQ and TriPort® technology, giving the music you love deep, clear sound. At the same time, Bose noise cancelling technology monitors the noise around you and cancels it out, helping you focus on what matters. Available in Apple or Samsung Version.

# Bose® QuietComfort® 35 Wireless Headphones

QuietComfort® 35 wireless headphones are engineered with world-class noise cancellation that makes quiet sound quieter and music sound better. Free yourself from wires and connect easily to your devices with Bluetooth® and NFC pairing. And enjoy up to 20 hours of wireless listening per battery charge. Available in Black or Silver

# Bose® Solo 5 TV Sound System

The Bose® Solo 5 TV sound system is a one-piece soundbar that brings noticeably better sound to all your favorite TV programs. It's engineered to help clearly reproduce everything from dialogue to details. And for even more clarity, its dialogue mode makes every word easier to hear. This soundbar is so versatile you can place it almost anywhere. And with Bluetooth® connectivity, you can stream music wirelessly.

# Bose® SoundTouch® 300 Soundbar

The SoundTouch® 300 soundbar looks slim. But the sound? Anything but. That's because every cubic inch of it is packed with technologies that make everything you listen to or watch sound clear and spacious. Music. Movies. TV. Everything. And it's designed with high-quality materials, so it looks as great in your room as it sounds.

## Bose® SoundTouch® 300 Soundbar & Acoustimass 300 Wireless Bass Module

The SoundTouch® 300 soundbar looks slim. But the sound? Anything but. That's because every cubic inch of it is packed with technologies that make everything you listen to or watch sound clear and spacious. Music. Movies. TV. Everything. And it's designed with high-quality materials, so it looks as great in your room as it sounds.

The difference between hearing bass and feeling thunder starts the moment you add this wireless bass module to the SoundTouch® 300 soundbar. QuietPort™ technology and a highly advanced DSP virtually eliminates distortion and delivers surprisingly deep and clean sound from something so small.

## Bose® SoundTouch® 300 & Virtually Invisible 300 Wireless Surround Speakers

The SoundTouch® 300 soundbar looks slim. But the sound? Anything but. That's because every cubic inch of it is packed with technologies that make everything you listen to or watch sound clear and spacious. Music. Movies. TV. Everything. And it's designed with high-quality materials, so it looks as great in your room as it sounds.

They take spaciousness to a whole new level. Paired with the SoundTouch® 300 soundbar, you can feel what it's like to be in the middle of what you listen to or watch. These small speakers are designed to blend into your room. And because they're wireless, connecting them to your soundbar anytime is easy.

## **Bose® SoundTouch® 300 Soundbar, Acoustimass 300 Wireless Bass Module, & Virtually Invisible 300 Wireless Surround Speakers**

The SoundTouch® 300 soundbar looks slim. But the sound? Anything but. That's because every cubic inch of it is packed with technologies that make everything you listen to or watch sound clear and spacious. Music. Movies. TV. Everything. And it's designed with high-quality materials, so it looks as great in your room as it sounds. Paired with the Acoustimass 300 Wireless Bass Module and Virtually Invisible 300 Wireless Surround Speakers adds a full surround sound experience.

# Bose® Lifestyle 600 Home Entertainment System

The Lifestyle® 600 home entertainment system immerses you in your music, movies and TV with more than just powerful sound. Instead of creating one “sweet spot,” your whole room is pulled into the performance. Sleek, compact Jewel Cube® speakers and a bass module deliver clarity and bass at all volume levels. The glass-topped console has 4K pass-through and 6 HDMI™ inputs, works with many other sources and wirelessly connects the rear speakers and bass module.

# Bose® Lifestyle 650 Home Entertainment System

The best 5.1 system from Bose, made for your music, movies and TV and designed to sound every bit as stunning as it looks. Small omnidirectional speakers, a wireless bass module and wireless rear surround speakers deliver an astonishing audio experience that melts luxuriously into your lap. The glass-topped console has 4K pass-through and 6 HDMI™ inputs, plus Bluetooth® and WiFi® technology to wirelessly stream music any way you prefer.
