An advertisement for the Canon VIXIA HFS21 camcorder. The background is a film strip showing various scenes: a couple with sparklers, a person snowboarding, a family with a dog, and a sunset over water. The camcorder is shown in the foreground, angled towards the left. Text on the left side of the ad includes a red "NEW!" badge, "HIGH DEFINITION VIXIA HFS21", and "Dual Flash Memory Camcorder". Below this is a paragraph of text describing the camcorder's features and a "Learn More" button.

NEW!
HIGH DEFINITION
VIXIA HFS21
Dual Flash Memory Camcorder

Canon's flagship VIXIA HF S21 can record up to 24 hours of stunning high definition video to a 64GB internal flash drive, or directly to 2 removable SD memory cards. And with innovative features such as a 3.5" Touch Panel LCD, Touch & Track and Smart Auto, capturing breathtaking HD video has never been easier.
